SRI SAIRAM INSTITUTE OF TECHNOLOGY CHENNAI.

Digital transformation adhering the e-governance part of digital India.

Overview

The challenges of education institutions have changed over the years. Educational institutions today are facing the demands of a new environment with changing student profile and expectations, more acute resource constraints and greater demands for institutional accountability; while the challenges before educators are formidable, they motivate all of us involved in education to be more innovative, resourceful and use technology more effectively to devise new approaches to solve problems. This is what primarily is the genesis of EDUMATE ERP.

We at iTech feel proud to be associated with Sairam Group Institutions as their transformative technology partner in the successful transformation of fully automated complete student life cycle process from enquiry to course completion and managing their presence across various online platforms completely aligning with their ambitious vision of creating knowledge based society with digital empowerment and contributing to the dream of "Digital India".

Digital Transformation @ SAIRAM

With EDUMATE ERP, Processes, departments and functions at Sairam Institutions become automated and streamlined, leading to enhanced productivity, transparency and control which finally translates to higher overall efficiency. Over time, increased efficiency results in superior brand differentiation and enhanced quality for the institution. Our automated system ensures standardized and effective Institution processes, reduced costs & effort, greater accountability & faster decision making.

Academic:

We had implemented a powerful web based application called EDUMATE specifically designed for educational institutions like Schools and Colleges. The highlight of the application is its ability to churn performance analytics, and serving as a bridge between Parents, Teachers and Management. Such details like attendance, marks, daily home works, other specific messages, can be captured and stored in the application. The inbuilt SMS integrated feature facilitates transmission of such captured information to Parents.

EDUMATE, the systematic management tool, facilitates to achieve an well organized institutional functioning. The application collaborates Management, Faculty members & Parents with essential information, to bridge the gap of uncertainty. This improves relationship amongst resources & coordinates institutional goals, curriculum, & students activities for the academic period. Exclusive attention on students & faculty member are effortlessly made practicable with EDUMATE, as it assist in informed decision making & in achieving positive outcomes.

a) Attendance

Conventional Attendance marking process takes most of teachers' time inside class rooms. With EDUMATE attendance review is made manageable.

- Paperless attendance marking for session/day wise is possible
- Student's absence are instantly notified to parents
- Saves excess time spend by staffs during attendance review

b) Students / Staffs Profile

Large number of paper works, information retrieval and storage volume are some of the challenges overcome by digitalized profiles of EDUMATE.

- Data creation & storage in digitalized format
- Reduce the man power required in data creation & storage

Administration:

Non-academic modules in EDUMATE empowered the operations at Sairam to focus on delivering high-quality education and not much thinking or worrying about the administrative process. It enables institutions to take care of their entire administrative tasks and assists in repetitive resource-intensive activities through seamless automation. The architecture of EDUMATE is designed in such a way that it meets the unique and varying needs of schools, colleges & universities under the Group.

It helps create an educational community where each of its stakeholders/users can get their entire job done on a click. It ensures better interaction between students, teachers, parents & institute management. It also helps the top management to make effective managerial decisions leading to better management of resources available in the institute.

a) Online Admission:

By implementing the centralized Online Admission system across Sairam Institutions created a platform to change all the traditional way of admission procedures and make lives easier for both schools and parents. With the help of eAdmission, parents can fill up the form for online submission of schools at any time from the comforts of their homes or offices, without any hassle of standing in long queues.

This Online Admission system organizes, automates, and integrates admission information making for a more effective office and allowing faculty to spend more time having quality interactions with students.

Anywhere Anytime

This automated system makes it easier for the administration to monitor the admission process from anywhere/anytime ,just a click away.

Easy Database Management

No need for downloads or shuttling of data. When a student application is accepted online, a student record will be automatically created in database.

Painless Online Registration

Allows prospective students to apply online and to monitor their status through the admissions process right from their computers. This reflect the campus culture and immediately improve the first experience a prospective student has with the institution.

c) Digital Documentation

Finding a single document against large number of data is one of the time consuming tasks. With organized sorting of digitalized documents, paper shuffling while searching can be eliminated.

- Data digitalization for future reference
- Enables easy uploads & downloads for quick communication
- Categorized data storage to reduce your search time

d) Transport

Our Transport Management System makes the process of assigning & maintaining the buses and other vehicles easier. This Module will keep the records of vehicle details and track students' commute through their routes, buses.etc.

e) Purchase:

The ePurchase module will help to maintain all records of college stock. This Module handles all types of transactions regarding purchase, storage and issue of stock items to various departments.

f) Hostel:

The Hostel Management module is managing different activities in the college hostel. It manages the student details, room details, room allocation information, fee structure, mess bill and staff details of the hostel. It is used to create reports of student details, fee details, mess bill etc. in different printable formats. It also has the capability to track the movement of Hostel students.

g) Library:

Library management module helps in library functions like book searching, managing members, issuing books and circulating books. Our module is mainly for managing books, category wise books storing, and publisher's details, calculates fine and maintains the transaction history.

h) Alumni:

Our Alumni management software helps establishments deliberately construct and deal with their Alumni system, by encouraging engagement, group building, systems administration, correspondences and feedback. With our graduated class administration framework, your Alumni information can be unified and joined with a large group of front-end part modules and back-end organization tools.

i) Scholarships:

Our online scholarship management system eliminates countless spreadsheets and stacks of paper applications, automatically applying students to the applicable scholarships.

Digital Space:

We are equally excited in creating and managing the Brand 'SAIRAM' in the Digital Space like website, social platforms..etc.

a) Website:

All the websites were aesthetically designed using latest responsive standards which will adapt to any screen sizes, be it desktop, laptop, tablet, mobile etc., and developed using easy to manage and update Content Management System (CMS) to enable seamless flow of content and communication.

b) Social Media:

With increasing number of social media users, it is inevitable for the Sairam Group Institutions to make their presence felt on the Social media like FaceBook, YouTube etc., It helps them connect with the current students/parents, prospective students/parents, alumni and community and acts as a two way communication tool. Being able to acknowledge each comment/feedback/reviews shows that we are attentive of our visitors' needs and aim to provide the best experience.

Outcome of automation implementation:

1. Complete organization of data.
2. Streamlining the admission, academic & administrative process.
3. Effectively increasing the productivity and efficiency of the office management /teaching staffs.
4. Reducing the paper work to a great extend thereby making you eco friendly and the process cost effective.
5. Strengthening relationship with parents by maintaining a proper information system.
6. Saving a lot of Man hrs, which directly means saving a lot of time and resource.
7. Increasing the reach and effectiveness of teaching faculties.
8. Automation of important units.
9. Reducing a lot of operational & communication cost.

ABOUT THE COLLEGE

Sri Sai Ram Institute of Technology is affiliated to Anna University and approved by AICTE, New Delhi, has begun its successful journey in the year 2008. This prestigious institution has been pioneered in the year 2008 by a great Philanthropist, MJF.Ln. LEO MUTHU, Managing Director of LEO GROUP OF COMPANIES in the name of "SAPTHAGIRI EDUCATIONAL TRUST" at Sai Leo Nagar, near Tambaram in Chennai. It is one of the premier institutions in Tamil Nadu, which sustains its high standard through quality education. Through high intention and sincere effort, the Institution has earned ISO 9001:2015 Certification from Bureau Veritas Quality International. Besides, the institution has been accredited with "A+" grade with the CGPA of 3.30 by the Executive Committee of NAAC and in addition, five departments (CSE, MECH, IT, EEE, ECE) have been accredited for 3 years by the NBA Expert Team. The institution has also reached 194th position amongst the top 200 Engineering Institutions (all over India) in the National Institutional Ranking Frame work (NIRF) by the Ministry of Human Resource and Developments, Govt., of India. In addition, the college has ranked "Third" for maintaining, promoting and encouraging the culture of "SWACHH CAMPUS RANKING 2018, conducted by Ministry of HRD, Government of India. Currently, this prestigious institution has six departments in UG (CIVIL, CSE, EEE, ECE, MECH and IT) and two PG courses: M.E- INDUSTRIAL SAFETY ENGINEERING and MBA with the fanatical Teaching and Non - Teaching staff. Moreover, the institution provides an excellent mode of teaching-learning process; hence, from the academic year 2011 – 12, the institution has incredibly produced 299 University rank holders including two Gold medalists and in the academic year 2017-18 alone, the students have won 60 University ranks. Apart from this, the institution has a good record of placement and nearly 90% of the students are placed every year in leading companies. The Alumni are in key roles of MNCs and research organizations, like Mercedes R&D, Hyundai R&D, Intel, Qualcomm, Alcatel, Adobe, Ashok Leyland, TVS Lucas, Mahindra& Mahindra, Mindtree, TCS, Cognizant, Capgemini, WIPRO etc., Additionally, the institution also encourages the budding entrepreneurs to set new forum of business through Innovation and Entrepreneurship Development Centre, which is funded by Department of Science and Technology. MHRD's Institute Innovation Cell is very much active in the campus, and the Institute has been awarded for its remarkable contribution in Innovative projects by MHRD. To stand by its words, the institution with its vitalizing faculty members and energetic students work tirelessly to stand out to be better than every past and never compromise on the quality of education in the forth coming years too.

VISION

To be identified as a "Center of Excellence" with high standards of Knowledge Dissemination and Research opportunities and to transform the students to imbibe qualities of technical expertise of international standards and high levels of ethical values, who in turn shall contribute to the advancement of society and human kind.

MISSION

Sairam Institute wins National Smart India Hackathon

Chennai, Aug 10:

Students of Sri Sai Ram Institute of Technology, Tambaram won first place in the national level Smart India Hackathon.

They have been given a cash award of 1 Lakh rupees by the Central Government. The team members are Sudharshan Sundararajan, Sankar Ganesh, Magesh, Gopika, Kavya, Srinath, and professors Dr.Brindha Devi (HOD) and assistant professor Mr.Sudhakar participated in the event.

The Finale was planned to be con-

ducted at the Vardhaman college of engineering, Hyderabad. But due to this lockdown, the event was conducted virtually on August 1st, 2nd, and 3rd, with the help of Slack and other online platforms.

The students were congratulated by the college CEO Sai Prakash Leo Muthu, College Principal Dr.K.Palanikumar, and the teachers. The college CEO Sai Prakash Leo Muthu has also announced a cash award of rupees 1Lakh to the winning student as a token of appreciation.

About Virtual Machines

A virtual machine is a software that, like a physical computer, runs an operating system and applications.

Multiple virtual machines can run on the same host system concurrently.

A virtual machine has its own virtual hardware, including a virtual CPU, memory, a hard disk, and a network interface card.
