Shirdi Sai Baba's 11 Assurances

1. Whomsoever puts their feet on Shirdi soil, their sufferings will come to an end.
2. The wretched and miserable will rise to joy and happiness as soon as they climb the steps of My Samadhi.
3. I shall be ever active and vigorous even after leaving this earthly body.
4. My tomb shall bless and speak to the needs of my devotees.
5. I shall be active and vigorous even from my tomb.
6. My mortal remains will speak from My tomb.
7. I am ever living to help and guide all who come to Me, who surrender to Me and who seek refuge in Me.
8. If you look at Me, I look at you.
9. If you cast your burden on Me, I shall surely bear it.
10. If you seek My advice and help, it shall be given to you at once.
11. There shall be no want in the house of My devotee.

PREAMBLE

SAPTHAGIRI EDUCATIONAL TRUST is a non-profitable trust established by the Philanthropist, MJF. Ln. LEO MUTHU, Managing Director of Leo Group of Companies. Being an ardent Educationalist, with a vision to promote Technical Education in semi-urban areas, he established SRI SAI RAM INSTITUTE OF TECHNOLOGY, in the year 2008, at Sai Leo Nagar, Dharkast, near Tambaram, a few kilometers away from the well known Kishkinta Amusement Park.

With the motto, “ Prosperity through quality education”, the institution disseminates knowledge and entrepreneurship skills among the students and strives to achieve academic excellence in the fields of technical, computer and management education.

The college is situated amidst sylvan surroundings and everlasting green locality at Sai Leo Nagar, West Tambaram with all essential and suitable infrastructural facilities with regard to Classrooms, Workshops, Drawing Halls, Laboratories, Air-conditioned & Computerised Library, Computer Centres, Internet facilities with RF connectivity at a speed of 68Mbps, CAD/CAM Laboratory, Auditoriums, Audio Visual (A/c) Hall, Seminar Halls, Canteen and Sports complex. The college also has its own perennial water resources to cater to its various needs. Within the campus a PCO, Courier Service, a big Stationery store and the core Banking facility from Central Bank of India, Pallavaram with 24 hours ATM service are there to help the students and the staff. The whole campus has wi-fi connectivity.

Courses offered

The institution offers the following Four Year Degree Courses at UG level leading to the award of B.E. / B.Tech. degrees from the Anna University, Chennai

1. Civil Engineering
2. Computer Science and Engineering
3. Electrical and Electronics Engineering
4. Electronics and Communication Engineering
5. Mechanical Engineering
6. Information Technology

The institution also offers Post-Graduate Degree Course leading to the award of M.E. / M.B.A., degree from the Anna University.

1. M.E. Industrial Safety Engineering - Full time - 2 years
2. M.E. Big-Data - Full time - 2 years
3. Master of Business Administration (M.B.A.) Full time - 2 years

Features that set us apart

- ★ ISO Certification with excellent remarks.

STUDENT ASSOCIATIONS

The college provides ample avenues for developing technical skills, updating knowledge, personality development and service to the society through the following Associations and Societies. There is a staff advisor to guide the students in the smooth and effective functioning of the Associations.

1. Association of Electronics and Communication Engineering
2. Association of Mechanical Engineering
3. Association of Electrical and Electronics Engineering
4. Association of Computer Science and Engineering
5. Association of Information Technology
6. Association of Science and Humanities
7. Association of Management Studies
8. Association of Civil Engineering

11. ISTE - Student Chapter
12. SAE Collegiate Club
13. IETE
14. ICI
15. IEDC
16. ED CELL
17. Placement and Training Cell
18. Sports
19. NSS
20. NCC
21. Youth Red Cross
22. Alumni Association

ASSOCIATION OF ELECTRONICS & COMMUNICATION ENGINEERING

The association was started in the academic year 2009-10. Guest Lectures on various topics are arranged regularly. A National level technical paper presentation contest, workshop and quiz program are the regular features. PRAESTANTIA “is conducted every year in August / September. Every academic year, the association arranges for educational tours and industrial visits to develop the industrial knowledge of the students.

ASSOCIATION OF MECHANICAL ENGINEERING

The Mechanical Engineering Association was formed during the academic year 2012-2013 and since its inception, periodical meetings, student seminars and guest lectures have been the regular features. Every year, the association conducts atleast one technical seminar every fortnight with special lectures on the topics most relevant to the curriculum for the benefit of the students. The association organises “MESSI”, an All India Technical Symposium, every year. The association has ambitious plans to include interaction with industries in a broader way, such as, sponsoring students in special seminars, research and development activities, which will ultimately improve the institution - industry relationship remarkably.

ASSOCIATION OF ELECTRICAL AND ELECTRONICS ENGINEERING

In order to develop professional ethics and to build rapport with experienced engineers, the Department of Electrical and Electronics Engineering has its association. In addition to the regular activities like guest lectures by eminent professionals, arranging technical visits, seminars and symposiums, it has been organising State level and National level paper presentation and seminars on latest electrical and electronics

engineering topics, under the banner of “WARRO S” every academic year. Industrial tours to provide industrial exposure to students and staff are arranged regularly.

ASSOCIATION OF COMPUTER SCIENCE AND ENGINEERING

The Association is intended to inculcate the technical passion and mould the budding technocrats. “SINTACS” - a national level technical symposium is conducted, bringing students from other engineering colleges, invoking the technical extravaganza. Frequent guest lecturers from various IT oriented companies create awareness among the student population. Visits to large scale industries emboss orientation between the students and industry professionals. Educational tours in and out the state nourishes practical knowledge. The above activities are highly emphasized by this ambitious association in order to make the students update with the state-of the art technology and to improvise on their technical skill set. The association organizes short term courses which bring the students in contact with the parallel fields of their curriculum like networking, hardware and software concepts.

ASSOCIATION OF INFORMATION TECHNOLOGY

This association is functioning under the name “Dreadnought”. Every year, a national level technical symposium is conducted and many institutions throughout the state are showing overwhelming response. The association conducts other than the national level technical symposium, special seminars and workshops in a big manner regularly.

ASSOCIATION OF CIVIL ENGINEERING

Civil Engineering Association was formed during the academic year 2014-2015. The premier branch of Engineering has been organizing a National level technical symposium “SHRUSTI” every year by inviting eminent and experienced resource persons from industries as well as educational institutions to help the student community at large. Guest lectures, seminars and curriculum related competitions are regular features of the association.

ASSOCIATION OF SCIENCE AND HUMANITIES

This association “SIT SCI HUM” primarily fulfils the aspirations and development of the first year engineering students. State level student seminar is arranged every year for better interaction and exchange of ideas among the first year students. Apart from this, the association is active throughout the year with frequent organization of special lectures by eminent personalities and various co-curricular competitions. The enthusiasm and team spirit of the young students in organizing various activities is outstanding.

ASSOCIATION OF MANAGEMENT STUDIES

The Association of Management Studies comprising mainly of MBA students, periodically conducts seminars, workshops and guest lectures. It also arranges special lecture programmes, educational and industrial visits, paper presentations and other managerial endeavors. It aims at imparting practical skills through frequent interaction with practicing managers and entrepreneurial development programmes. MANFEST, the National Level Meet is conducted for the managerial students every year successfully.

COMPUTER SOCIETY OF INDIA (CSI)

CSI forms a link between the computer related departments of our college and outside industry. Recent developments in IT fields are updated through regular seminars. Course orientation programs for the staff are conducted through this chapter. It has about 1000 students who study computer related courses and are provided with maximum opportunities and channelized to their fields of interest.

INSTITUTE OF ELECTRICAL & ELECTRONICS ENGINEERS (IEEE)

It is the oldest and the largest technical society in the world, having its head quarters in United States of America. A student branch of IEEE functions in our college with students from EEE, ECE & ICE Departments as members. This chapter conducts periodical technical seminars and conferences with the interaction of eminent personalities from leading industries & institutions. The student members are also taken for industrial visits to make them understand the latest trends in their technical fields. It provides them with the best technical magazines, proceedings, transactions, journals etc., published by IEEE, USA. It enables the student members to take part in seminars & conferences conducted by IEEE Student branches of other reputed institutions and to interact with other IEEE members all over the world.

INDIAN SOCIETY FOR TECHNICAL EDUCATION (ISTE)

ISTE plays a great role in enhancing the status of Engineering teachers and students and fulfilling their professional needs. It is ably supported by the Ministry of HRD, AICTE, State Governments and many International agencies in organizing a variety of programmes to develop the competency of Engineering teachers.

SAE - CLUB

This Club was established in the academic year 2015 - 2016. Our SAE Club is one of the largest of all the SAE Clubs in the Southern India Section and in the entire country. Other than responding to the prestigious activities of the SAE, our club conducts significant events every year.

INSTITUTE OF ELECTRONICS & TELECOMMUNICATION ENGINEERS (IETE)

IETE, established in 1953 is India's leading recognised technical professional society. It has over 45,000 members spread all over India and in few countries abroad. It provides leadership in a number of scientific and technical areas of direct importance to national development and economy. The basic objective of our IETE chapter is to facilitate the exchange of information and ideas on the advancements in Electronics & Communication Engineering through special lectures, seminars and workshops.

ICI- INDIAN CONCRETE INSTITUTE

Indian Concrete Institute (ICI) is the premier professional body for concrete technology with above 12,000 members with 34 centres spread across India. It has on its fold the captains of Construction Industry, building material manufacturers, Leading Consultants & Civil Engineers, Contractors, Academicians and Educational Institutions. In the year 2016, Sri Sairam Institute of Technology has become a life time member in Indian Concrete Institute. Indian Concrete Institute is one of the leading professional bodies in India. It is dedicated to the cause of disseminating knowledge on concrete, to promote concrete Technology and Construction.

INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CENTRE (IEDC)

The Innovation and Entrepreneurship Development Centre (IEDC) is a unique centre functioning in the Institute to promote and encourage young and budding entrepreneurial aspirants to showcase their innovative talents in the form of student projects. The outcome of these projects is aimed to bring new products to the market or to develop new methodologies so as to generate/ manufacture existing products in a more cost effective and environment friendly way. The centre is sponsored by the Department of Science and Technology, Government of India, wherein every year, five best student projects are selected and awarded Rs.1 lakh for bringing out the project in the form of a new product. The objective of establishing an IEDC is to set up an institutional mechanism to create self employment opportunities and to convert "job-seekers" into "job-generators". Apart from the above, various training programmes like Entrepreneurship Awareness Programmes (EACs), Entrepreneurship Development Programmes (EDPs) and Faculty Development Programmes (FDPs) are also conducted under the flagship of Entrepreneurship Development Institute of India to foster the entrepreneurial culture among the faculty and students.

ENTREPRENEUR DEVELOPMENT CELL (ED CELL)

ED cell is regularly conducting entrepreneurial awareness and development programmes for all Engineering, Management and Computer Application Students. Stalwarts from industries are invited to motivate and guide students to develop the entrepreneurial skills.

TRAINING CUM PLACEMENT CELL

Training and Placement Cell is an integral part of our institution. The institute has provided complete infrastructure for the effective functioning of the cell. The cell is sensitized to function all through the year towards generating placement and training opportunities for the students. Training activities are organized throughout the

year as an effort towards preparing the prospective students for the campus selection programmes. Reputed industrial houses across the country visit our institute regularly for the campus recruitment programmes. Our pioneering efforts have borne fruits in achieving academic-industrial rapport and we are proud that our students are absorbed by leading giants in the industrial firmament. The placement cell coordinates quite well with the corporate sector and provides well-developed infrastructure to facilitate the campus selection programmes. The cell is designed to function with a high degree of professionalism. It provides almost instantaneous data to the corporate sector with regard to the candidates available for consideration towards placement in accordance with the preserved requirements. Indeed, we have been appreciated more often by the industrial houses for this special features embedded in our work philosophy.

To coordinate the placement activities, the college has a separate placement cell. The placement cell manages its activities collectively by the students and all the heads of the department. The placement coordinators of all the departments involve themselves in all the activities conducted by the Placement cell for updation. The Placement cell has adopted an effective communication system to keep the students informed about potential job opportunities and guide them from time to time.

NOTABLE FEATURES

1. More than 90% placement in the last four years
2. Placed hugely in reputed software industry
3. Higher studies in India and abroad
4. Enhanced avenues and opportunities
5. Accredited by TCS

SPORTS ACTIVITIES

Sports activities are conducted throughout the year to keep the students not only mentally but also physically active. Sai-Leo trophy - Volley ball tournament, Sai Ram Trophy - Cricket Tournament, Leo trophy - Throw ball tournament and South India Level Chess tournament are the regular features of our sports activities. Ample facilities for both indoor and outdoor sports activities are available in the campus. Founder's Trophy, an open tournament in cricket at National level is the newly added event in the packed sports activities.

NATIONAL SERVICE SCHEME (NSS)

The primary objective of the NSS is to inculcate personality and leadership qualities among the students through community service. The NSS unit started functioning in our college in the year 1998 and is involved actively in various programmes. Organizing eye camp, dental camp and blood donation camps, tree planting, helping tribal children, first-aid courses, etc., are some of the outstanding and regular programs of the NSS unit. Besides, special camps at selected villages, distribution of sewing machines and tricycles for physically challenged are also some of the exemplary services done by our unit.

NATIONAL CADET CORPS (NCC)

To develop the qualities of character, courage, discipline, leadership, spirit of adventure and sportsmanship among the youth, there is an NCC Senior Division - 1 (TN) Medical Unit. Cadets are given severe training in Foot Drill, Weapon Training and Air Craft Technology. Our students are encouraged and motivated to take up a career in Armed forces by getting a suitable environment.

YOUTH RED CROSS

An active unit of Youth Red Cross is functioning in the institution. The volunteers are regularly participating in social awareness programmes and competitions conducted by various YRC Units and Anna University apart from our own regular programmes. Red Ribbon Club of our institution functions actively by arranging social awareness programmes and special lectures.

ALUMNI ASSOCIATION

Alumni Meet is arranged every year after annual Convocation. Indeed it is another big celebration. Our Alumni feel proud to be a part of Sri Sai Ram family. Apart from exchanging pleasantries with their teachers and classmates, they provide information regarding their placement and latest trends in their chosen field. Placement opportunities are conveyed to our alumni through their email I.D. Some of our Alumni pursuing higher education in USA, UK, Australia and other Countries, present seminars to our students and inspire them.

7. Immediately after every Assessment test, the marks scored by the students will be entered in the Anna University Web Portal and this can be viewed by the students.
8. The Internal marks will be calculated for 20 which will be the average of the mentioned above 3 examinations (Not the best of two from the three examinations).
9. Students who do not perform well for sufficient internal marks will be recommended for class tests to ensure better performance in the subsequent Assessment tests so that their internal marks can be improved.
10. If a student is found guilty of malpractice during the tests or model examinations or university examinations, proper disciplinary action shall be initiated.

WARD & MENTORING SYSTEM

+

COUNSELLING AND PROGRESS REPORT OF THE STUDENTS

1. Students will be divided into groups and each group consisting of 15 to 20 students, will be placed under the guidance of a faculty, who will be their mentor.
2. The Mentor will be monitoring the ward's progress in studies, regularity in attendance, conduct, participation in co-curricular and extra curricular activities and health condition as well.
3. A personal file is maintained for each student to record his/her progress in studies, attendance and other aspects.
4. All leave applications should be sent only through the student's mentor.
5. The students may approach their mentor freely for guidance and advice anytime and the contact number of the mentor will be given to the students.
6. The mentors will counsel their wards periodically for the betterment of their wards in all fronts. A motherly care will be shown by the mentor in counselling and monitoring their wards.
7. Irrespective of the problems (financial, health issues and psychological), each student will be treated with utmost care, affection and attention.
8. The mentor will constantly keep in touch with the wards' parents / guardians for updation of the ward's progress.
9. Progress report of every student will be sent to his/her parents or guardian at the end of each test and the model examination indicating the marks the student has secured in the examination.
10. If a student is found short of attendance and irregular to classes, reports will be sent to his / her parents or guardian.
11. Parents or guardians who wish to know the progress of his/her son or daughter will be provided the same on request.
12. Parents / Guardians are requested to meet the mentors frequently to know the performance and progress of the wards.
13. Parents / Guardians may call the mentor at anytime to clarify any information if they wish to know or inform.
14. Our ward and mentoring system will ensure the students feel at home and build a perennial relationship between the ward and the mentor which will ultimately lead to the better progress of the students in their personal and professional lives which we have been witnessing for so many years.

CENTRAL LIBRARY

A capacious central library with extensive reading facilities is available for the use of staff and students. All students and staff are members of the library and are entitled to borrow books.

The library and the reading room will be kept open on all working days. It has about 70,000 volumes related to all branches of Engineering, Computer Science, Management, English, Mathematics, Physics, Chemistry, General Studies apart from Journals, Magazines and Newspapers.

It not only subscribes to National & International Journals, but also has CDs and DVDs which can be viewed in a separate audio visual centre.

2. Students may enter the library and select the books or magazines of their choice on all working days.
3. Strict Silence should be maintained in the library.
4. Students should leave their books and note books in the racks kept in the verandah before they enter the library.
5. On receiving a book, the student should examine the condition of the book. If there is any damage, it should be brought to the notice of the librarian. Otherwise, the student will be held responsible for the damage.
6. A student will be allowed to keep a book for 15 days from the date of issue. It may be renewed for a further period of 15 days.
7. If the book is retained beyond the due date without renewing, a fine of 50 paise per day will be collected up to 15 days from the due date. After that Re.1/- per day will be collected.
8. No reference book shall be lent.
9. In the case of books lost either by the staff or students, the book should be replaced at once with the latest editions of such books by them. When such books are not available with the book sellers or publishers or out of print, double the cost of the book will be collected from the borrowers.

10. Every member is expected to handle the books and magazines of the library with care.
11. User should not make any writings, markings, scribbling or underlining in the library books.
12. The librarian is empowered to send out any student who misbehaves in the library.
13. Students will not be allowed to borrow books from the library till the fine (if any) is paid or replacement (if any) is effected as the case may be.

LIBRARY CARD

To enable the members in borrowing books from the library, bar-coded ID cards are issued. UG students can borrow two books and PG students can borrow four books at a time.

1. The students are advised to keep ID cards safe.
2. In case of loss of a library card, the same should immediately be brought to the notice of the librarian.
3. Duplicate ID card can be obtained against a payment of Rs.100/-
4. Duplicate ID card will normally be issued only after 30 days from the day on which the loss is reported.
5. Only the card holders are entitled to borrow books from the library.
6. The owner of the ID card will be responsible for the book borrowed against it.
7. 'No-dues' certificate will be issued only after ascertaining the surrender of ID Card to the librarian within the due date.

National Sports Organization (NSO) will have sports, Games, Drills and Physical exercises.

Youth Red Cross (YRC) will have activities related to social services in and around College/Institutions.

While the training activities will normally be during weekends, the camp will normally be during vacation period.

4.3 Number of courses per semester

Each semester curriculum shall normally have a blend of lecture courses not exceeding 7 and Laboratory courses and Employability Enhancement Course(s) not exceeding 4. Each Employability Enhancement Course may have credits assigned as per clause 4.4. However, the total number of courses per semester shall not exceed 10.

4.4 Credit Assignment

Each course is assigned certain number of credits based on the following:

Contact period per week	CREDITS
1 Lecture Period	1
2 Tutorial Periods	1
2 Laboratory Periods (also for EEC courses like / Seminar / Project Work / Case study / etc.)	1

The Contact Periods per week for Tutorials and Practical can only be in multiples of 2.

4.5.Industrial Training / Internship

The students may undergo Industrial training for a period as specified in the Curriculum during summer / winter vacation. In this case the training has to be undergone continuously for the entire period.

The students may undergo Internship at Research organization / University (after due approval from the Department Consultative Committee) for the period prescribed in the curriculum during summer / winter vacation, in lieu of Industrial training.

4.6 Industrial Visit

Every student is required to go for at least one Industrial Visit every year starting from the second year of the Programme. The Heads of Departments shall ensure that necessary arrangements are made in this regard.

4.7 Value Added Courses

The Students may optionally undergo Value Added Courses and the credits earned through the Value Added Courses shall be over and above the total credit requirement prescribed in the curriculum for the award of the degree. One / Two credit courses shall be offered by a Department of an institution with the prior approval from the Head of the Institution. The details of the syllabus, time table and faculty may be sent to the Centre for Academic Courses and the Controller of Examinations after approval from the Head of the Institution concerned atleast one month before the course is offered. Students can take a maximum of two one credit courses / one two credit course during the entire duration of the Programme.

4.8 Online Courses

- 4.8.1 Students may be permitted to credit only one online course of 3 credits with the approval of Head of the Institution and Centre for Academic Courses.
- 4.8.2 Students may be permitted to credit one online course (which are provided with certificate) subject to a maximum of three credits. The approved list of online courses will be provided by the Centre for Academic courses from time to time. The student needs to obtain certification or credit to become eligible for writing the End Semester Examination to be conducted by Controller of Examinations, Anna University. The details regarding online courses taken up by students should be sent to the Controller of Examinations, Anna University and Centre for Academic Courses one month before the commencement of End Semester Examination.

4.9 The students satisfying the following conditions shall be permitted to carry out their final semester Project work for six months in industry/research organizations.

The student should not have current arrears and shall have CGPA of 7.50 and above.

The student shall undergo the eighth semester courses in the sixth and seventh semesters. The Head of

Department, in consultation with the faculty handling the said courses shall forward the proposal recommended by the Head of Institution to the Controller of Examinations through the Director, Centre for Academic courses for approval at least 4 weeks before the commencement of the sixth semester of the programme for approval.

4.10 Medium of Instruction

The medium of instruction is English for all courses, examinations, seminar presentations and project / thesis / dissertation reports except for the programmes offered in Tamil Medium.

5. DURATION OF THE PROGRAMME

5.1 A student is ordinarily expected to complete the B.E. / B.Tech. Programme in 8 semesters (four academic years) but in any case not more than 14 Semesters for HSC (or equivalent) candidates and not more than 12 semesters for Lateral Entry Candidates.

5.1.1 A student is ordinarily expected to complete the B.E. Mechanical Engineering (Sandwich) Programme in 10 semesters (five academic years) but in any case not more than 18 Semesters for HSC (or equivalent) candidates.

5.2 Each semester shall normally consist of 75 working days or 540 periods of 50 minutes each.

The Head of the Institution shall ensure that every teacher imparts instruction as per the number of periods specified in the syllabus and that the teacher teaches the full content of the specified syllabus for the course being taught.

5.3 The Head of the Institution may conduct additional classes for improvement, special coaching, conduct of model test etc., over and above the specified periods. But for the purpose of calculation of attendance requirement for writing the end semester examinations (as per clause 6) by the students, following method shall be used.

$$\text{Percentage of Attendance} = \frac{\text{Total no. of periods attended in all the courses per semester}}{(\text{No. of periods / week as prescribed in the curriculum}) \times 15 \text{ taken together for all courses of the semester}} \times 100$$

The University Examination will ordinarily follow immediately after the last working day of the semester commencing from I semester as per the academic schedule prescribed from time to time.

- 5.4 The total period for completion of the programme reckoned from the commencement of the first semester to which the candidate was admitted shall not exceed the maximum period specified in clause 5.1 irrespective of the period of break of study (vide clause 18) in order that he/she may be eligible for the award of the degree (vide clause 16).

6. COURSE REGISTRATION

- 6.1 The Institution is responsible for registering the courses that each student is proposing to undergo in the ensuing semester. Each student has to register for all courses to be undergone in the curriculum of a particular semester (with the facility to drop courses to a maximum of 6 credits (vide clause 6.5). The student can also register for courses for which the student has failed in the earlier semesters. In such cases the student shall do **reappearance registration** for those courses for which the attendance requirement is not compulsory. However, the student have the option to take up some other professional elective or open elective that he has failed to pass. **But, the total number of credits that a student is allowed to register per semester cannot exceed 36.** The registration details of the candidates may be approved by the Head of the Institution and forwarded to the Controller of Examinations. This registration is for undergoing the course as well as for writing the End Semester Examinations. No Elective course shall be offered by any department of any institution unless a minimum 10 students register for the course. However, if the students admitted in the associated Branch and Semester is less than 10, this minimum will not be applicable.

The courses that a student registers in a particular semester may include

- i. Courses of the current semester.
- ii. The core (Theory/Lab /EEC) courses that the student has not cleared in the previous semesters.
- iii. Elective courses which the student failed (either the same elective or a different elective instead)

6.2 Flexibility to Drop courses

- 6.2.1 A student has to earn the total number of credits specified in the curriculum of the respective Programme of study in order to be eligible to obtain the degree.
- 6.2.2 From the III to final semesters, the student has the option of dropping existing courses in a semester during registration. Total number of credits of such courses cannot exceed 6.
- 6.2.3 The student shall register for the project work in the final semester only.

7. ATTENDANCE REQUIREMENTS FOR COMPLETION OF THE SEMESTER

- 7.1 A Candidate who has fulfilled the following conditions shall be deemed to have satisfied the requirements for completion of a semester.

Ideally every student is expected to attend all classes of all the courses and secure 100% attendance. However, in order to give provision for certain unavoidable reasons such as Medical / participation in sports, the student is expected to attend at least 75% of the classes.

Therefore, he/she shall secure not less than 75% (after rounding off to the nearest integer) of overall attendance as calculated as per clause 5.3.

- 7.2 However, a candidate who secures overall attendance between 65% and 74% in the current semester due to medical reasons (prolonged hospitalization / accident / specific illness) / Participation in Sports events may be permitted to appear for the current semester examinations subject to the condition that the candidate shall submit the medical certificate / sports participation certificate attested by the Head of the Institution. The same shall be forwarded to the Controller of Examinations for record purposes.
- 7.3 Candidates who secure less than 65% overall attendance and candidates who do not satisfy the clause 7.1 and 7.2 shall not be permitted to write the University examination at the end of the semester and not permitted to move to the next semester. They are required to repeat the incomplete semester in the next academic year, as per the norms prescribed.

8. CLASS ADVISOR

There shall be a class advisor for each class. The class advisor will be one among the (course-instructors) of the class. He / She will be appointed by the HoD of the department concerned. The class advisor is the ex-officio member and the Convener of the class committee. The responsibilities for the class advisor shall be:

- To act as the channel of communication between the HoD and the students of the respective class.
- To collect and maintain various statistical details of students.
- To help the chairperson of the class committee in planning and conduct of the class committee meetings.
- To monitor the academic performance of the students including attendance and to inform the class committee.
- To attend to the students' welfare activities like awards, medals, scholarships and industrial visits.

9. CLASS COMMITTEE

- 9.1. Every class shall have a class committee consisting of teachers of the class concerned, student representatives and a chairperson who is not teaching the class. It is like the 'Quality Circle' (more commonly used in industries) with the overall goal of improving the teaching- learning process. The functions of the class committee include
- Solving problems experienced by students in the class room and in the laboratories.
 - Clarifying the regulations of the degree programme and the details of rules therein particularly (clause 5 and 7) which should be displayed on college Notice-Board.
 - Informing the student representatives, the academic schedule including the dates of assessments and the syllabus coverage for each assessment.
 - Informing the student representatives the details of Regulations regarding weightage used for each assessment. In the case of practical courses (laboratory / drawing / project work / seminar etc.) the breakup of marks for each experiment / exercise / module of work, should be clearly discussed in the class committee meeting and informed to the students.
 - Analyzing the performance of the students of the class after each test and finding the ways and means of solving problems, if any.
 - Identifying the weak students, if any, and requesting the teachers concerned to provide some additional help or guidance or coaching to such weak students.
- 9.2 The class committee for a class under a particular branch is normally constituted by the Head of the Department. However, if the students of different branches are mixed in a class (like the first semester which is generally common to all branches), the class committee is to be constituted by the Head of the Institution.
- 9.3 The class committee shall be constituted within the first week of each semester.
- 9.4 At least 4 student representatives (usually 2 boys and 2 girls) shall be included in the class committee.
- 9.5 The Chairperson of the class committee may invite the Class adviser(s) and the Head of the Department to the class committee meeting.
- 9.6 The Head of the Institution may participate in any class committee of the institution.
- 9.7 The chairperson is required to prepare the minutes of every meeting, submit the same to Head of the Institution

within two days of the meeting and arrange to circulate it among the students and teachers concerned. If there are some points in the minutes requiring action by the management, the same shall be brought to the notice of the Management by the Head of the Institution.

- 9.8 The first meeting of the class committee shall be held within one week from the date of commencement of the semester, in order to inform the students about the nature and weightage of assessments within the framework of the Regulations. Two or three subsequent meetings may be held in a semester at suitable intervals. **The Class Committee Chairman shall put on the Notice Board the cumulative attendance particulars of each student at the end of every such meeting to enable the students to know their attendance details to satisfy the clause 6 of this Regulation.** During these meetings the student members representing the entire class, shall meaningfully interact and express the opinions and suggestions of the other students of the class in order to improve the effectiveness of the teaching-learning process.

10. COURSE COMMITTEE FOR COMMON COURSES

Each common theory course offered to more than one discipline or group, shall have a “Course Committee” comprising all the teachers teaching the common course with one of them nominated as Course Coordinator. The nomination of the Course Coordinator shall be made by the Head of the Department / Head of the Institution depending upon whether all the teachers teaching the common course belong to a single department or to several departments. The 'Course committee' shall meet in order to arrive at a common scheme of evaluation for the test and shall ensure a uniform evaluation of the tests. Wherever feasible, the course committee may also prepare a common question paper for the internal assessment test(s).

11. SYSTEM OF EXAMINATION

- 11.1 Performance in each course of study shall be evaluated based on (i) continuous internal assessment throughout the semester and (ii) University examination at the end of the semester.
- 11.2 Each course, both theory and practical (including project work & viva voce Examinations) shall be evaluated for a maximum of 100 marks.
- For all theory and practical courses including project work, the continuous internal assessment will carry 20 marks while the End - Semester University examination will carry 80 marks.
- 11.3 Industrial training and seminar shall carry 100 marks and shall be evaluated through internal assessment only.

- 11.4 The University examination (theory and practical) of 3 hours duration shall ordinarily be conducted between October and December during the odd semesters and between April and June during the even semesters.
- 11.5 The University examination for project work shall consist of evaluation of the final report submitted by the student or students of the project group (of not exceeding 4 students) by an external examiner and an internal examiner, followed by a viva-voce examination conducted separately for each student by a committee consisting of the external examiner, the supervisor of the project group and an internal examiner.
- 11.6 For the University examination in both theory and practical courses including project work the internal and external examiners shall be appointed by the Controller of Examinations.

12. PROCEDURE FOR AWARDING MARKS FOR INTERNAL ASSESSMENT

For all theory and practical courses (including project work) the continuous assessment shall be for a maximum of 20 marks. The above continuous assessment shall be awarded as per the procedure given below:

12.1 Theory Courses

Three tests each carrying 100 marks shall be conducted during the semester by the Department / College concerned. The total marks obtained in all tests put together out of 300, shall be proportionately reduced for 20 marks and rounded to the nearest integer (This also implies equal weightage to all the three tests).

12.2 Laboratory Courses

The maximum marks for Internal Assessment shall be 20 in case of practical courses. Every practical exercise / experiment shall be evaluated based on conduct of experiment / exercise and records maintained. There shall be at least one test. The criteria for arriving at the Internal Assessment marks of 20 is as follows: 75 marks shall be awarded for successful completion of all the prescribed experiments done in the Laboratory and 25 marks for the test. The total mark shall be reduced to 20 and rounded to the nearest integer.

12.3 Theory Courses **with Laboratory Component**

If there is a theory course with Laboratory component, there shall be three tests: the first two tests (each 100 marks) will be from theory portions and the third test (maximum mark 100) will be for laboratory component. The sum of marks of first two tests shall be reduced to 60 marks and the third test mark shall be reduced to 40 marks. The sum of these 100 marks may then be arrived at for 20 and rounded to the nearest integer.

12.4 Project Work

Project work may be allotted to a single student or to a group of students not exceeding 4 per group.

The Head of the Institutions shall constitute a review committee for project work for each branch of study. There shall be three reviews during the semester by the review committee. The student shall make presentation on the progress made by him / her before the committee. The total marks obtained in the three reviews shall be reduced for 20 marks and rounded to the nearest integer (as per the scheme given in 12.4.1).

- 12.4.1 The project report shall carry a maximum 30 marks. The project report shall be submitted as per the approved guidelines as given by Director, Academic Courses. Same mark shall be awarded to every student within the project group for the project report. The viva-voce examination shall carry 50 marks. Marks are awarded to each student of the project group based on the individual performance in the viva-voce examination.

Review I	Review II	Review III	End semester Examinations				
			Thesis Submission (30)		Viva-Voce (50)		
5	7.5	7.5	Internal	External	Internal	External	Supervisor
			15	15	15	20	15

- 12.4.2 If a candidate fails to submit the project report on or before the specified deadline, he/she is deemed to have failed in the Project Work and shall re-register for the same in a subsequent semester.

12.5 Other Employability Enhancement Courses

- (a) The seminar / Case study is to be considered as purely INTERNAL (with 100% internal marks only). Every student is expected to present a minimum of 2 seminars per semester before the evaluation committee and for each seminar, marks can be equally apportioned. The three member committee appointed by Head of the Institution will evaluate the seminar and at the end of the semester the marks can be consolidated and taken as the final mark. The evaluation shall be based on the seminar paper (40%), presentation (40%) and response to the questions asked during presentation (20%).
- (b) The Industrial / Practical Training, Summer Project, Internship, shall carry 100 marks and shall be evaluated through internal assessment only. At the end of Industrial / Practical training / internship / Summer Project, the candidate shall submit a certificate from the organization where he / she has undergone training and a brief report. The evaluation will be made based on this report and a Viva-Voce Examination, conducted internally by a three member Departmental Committee constituted by the Head of the Institution. The certificates (issued by the organization) submitted by the students shall be attached to the mark list sent by the Head of the Institution to the Controller of Examinations.

12.6 Assessment for Value Added Course

The one / two credit course shall carry 100 marks and shall be evaluated through **continuous assessments only**. Two Assessments shall be conducted during the semester by the Department concerned. The total marks obtained in the tests shall be reduced to 100 marks and rounded to the nearest integer. A committee consisting of the Head of the Department, staff handling the course and a senior Faculty member nominated by the Head of the Institution shall monitor the evaluation process. The list of students along with the marks and the grades earned may be forwarded to the Controller of Examinations for appropriate action at least one month before the commencement of End Semester Examinations.

12.7 Assessment for Online Courses

Students may be permitted to credit one online course (which are provided with certificate) subject to a maximum of three credits. The approved list of online courses will be provided by the Centre for Academic courses from time to time. **This online course of 3 credits can be considered instead of one elective course.** The student needs to obtain certification or credit to become eligible for writing the End Semester Examination to be conducted by Anna University. **The course shall be evaluated through the End Semester Examination only conducted by Controller of Examinations, Anna University.**

12.8. Internal marks approved by the Head of the Institution shall be displayed by the respective HODs within 5 days from the last working day.

12.9 Attendance Record

Every teacher is required to maintain an 'ATTENDANCE AND ASSESSMENT RECORD' which consists of attendance marked in each lecture or practical or project work class, the test marks and the record of class work (topic covered), separately for each course. This should be submitted to the Head of the department periodically (at least three times in a semester) for checking the syllabus coverage and the records of test marks and attendance. The Head of the department will put his signature and date after due verification. At the end of the semester, the record should be verified by the Head of the Institution who will keep this document in safe custody (for five years). The University or any inspection team appointed by the University may verify the records of attendance and assessment of both current and previous semesters.

13. REQUIREMENTS FOR APPEARING FOR UNIVERSITY EXAMINATIONS

A candidate shall normally be permitted to appear for the University Examinations for all the courses registered in the current semester (vide clause 6) if he/she has satisfied the semester completion requirements (subject to Clause 7).

A candidate who has already appeared for any subject in a semester and passed the examination is not entitled to reappear in the same subject for improvement of grades.

14. PASSING REQUIREMENTS

- 14.1 A candidate who secures not less than 50% of total marks prescribed for the course [Internal Assessment + End semester University Examinations] with a minimum of 45% of the marks prescribed for the end-semester University Examination, shall be declared to have passed the course and acquired the relevant number of credits. This is applicable for both theory and practical courses (including project work).
- 14.2 If a student fails to secure a pass in a theory course (except electives), the student shall do reappearance registration only along with regular students for that course in the subsequent semester, when offered next, earn continuous assessment marks and attend the end semester examination.
- 14.3 If the course, in which the student has failed, is a professional elective or an open elective, the student may be permitted to register for the same course, earn continuous assessment marks and attend the End Semester Examination or any other professional elective or open elective course in the subsequent semesters, attend the classes and fulfill the attendance requirements as per Clause 7.
- 14.4 If a student fails to secure a pass in a laboratory course, the student shall register for the course again, when offered next.
- 14.5 If a student fails to secure a pass in project work, the student shall register for the course again, when offered next.
- 14.6 The passing requirement for the courses which are assessed only through purely internal assessments (EEC courses except project work), is 50% of the internal assessment (continuous assessment) marks only.
- 14.7 If a student has failed in the final semester examination he/she may be allowed to register for the course in the next semester itself.
- 14.8 A student can apply for revaluation of the student's semester examination answer paper in a theory course, within 2 weeks from the declaration of results, on payment of a prescribed fee along with prescribed application to the COE through the Head of the Institution. The COE will arrange for the revaluation and the results will be intimated to the student concerned through the Head of the Institution. Revaluation is not permitted for laboratory course and project work.

15. AWARD OF LETTER GRADES

- 15.1 All assessments of a course will be evaluated on absolute marks basis. However, for the purpose of reporting the performance of a candidate, letter grades, each carrying certain number of points, will be awarded as per the range of total marks (out of 100) obtained by the candidate in each subject as detailed below:

Letter Grade	Grade Points	Marks Range
O (Outstanding)	10	91 - 100
A + (Excellent)	9	81 - 90
A (Very Good)	8	71 – 80
B + (Good)	7	61 – 70
B (Average)	6	50 - 60
RA	0	<50
SA (Shortage of Attendance)	0	
W	0	

A student is deemed to have passed and acquired the corresponding credits in a particular course if he/she obtains any one of the following grades: “O”, “A+”, “A”, “B+”, “B”.

'SA' denotes shortage of attendance (as per clause 7.3) and hence prevention from writing the end semester examinations. 'SA' will appear only in the result sheet.

“RA” denotes that the student has failed to pass in that course. “W” denotes withdrawal from the exam for the particular course. The grades RA and W will figure both in Marks Sheet as well as in Result Sheet). In both cases the student has to earn Continuous Assessment marks and appear for the End Semester Examinations. If the grade W is given to course, the attendance requirement need not be satisfied.

If the grade RA is given to a core theory course, the attendance requirement need not be satisfied, but if the grade RA is given to a Laboratory Course/ Project work / Seminar and any other EEC course, the attendance requirements (vide clause 7) should be satisfied.

- 15.2 For the Co-curricular activities such as National Cadet Corps (NCC)/ National Service Scheme (NSS) / NSO / YRC, a satisfactory / not satisfactory grading will appear in the mark sheet. Every student shall put in a minimum of 75% attendance in the training and attend the camp compulsorily. The training and camp shall be completed during the first year of the programme. However, for valid reasons, the Head of the Institution may permit a student to complete this requirement in the second year. **A satisfactory grade in the above co-curricular activities is compulsory for the award of degree.**
- 15.3 The grades O, A+, A, B+, B obtained for the one credit course shall figure in the Mark sheet under the title '**Value Added Courses**'. The Courses for which the grades are RA, SA **will not figure in the mark sheet.**

Grade sheet

After results are declared, Grade Sheets will be issued to each student which will contain the following details:

- The college in which the candidate has studied
- The list of courses enrolled during the semester and the grade scored.
- The Grade Point Average (GPA) for the semester and
- The Cumulative Grade Point Average (CGPA) of all courses enrolled from first semester onwards.
- GPA for a semester is the ratio of the sum of the products of the number of credits for courses acquired and the corresponding points to the sum of the number of credits for the courses acquired in the semester.
- CGPA will be calculated in a similar manner, considering all the courses registered from first semester. RA grades will be excluded for calculating GPA and CGPA.

$$\text{GPA / CGPA} = \frac{\sum_{i=1}^n C_i GP_i}{\sum_{i=1}^n C_i}$$

where C_i is the number of Credits assigned to the course

GP_i is the point corresponding to the grade obtained for each course

n is number of all courses successfully cleared during the particular semester in the case of GPA and during all the semesters in the case of CGPA

16 ELIGIBILITY FOR THE AWARD OF THE DEGREE

- 16.1 A student shall be declared to be eligible for the award of the B.E. / B.Tech. Degree provided the student has
- i. Successfully gained the required number of total credits as specified in the curriculum corresponding to the student's programme within the stipulated time.
 - ii. Successfully completed the course requirements, appeared for the End-Semester examinations and passed all the subjects prescribed in all the 8 semesters / (10 Semesters for B.E. Mechanical Engineering (Sandwich)) within a maximum period of 7 years (9 years in case of B.E. Mechanical Engineering (Sandwich) and 6 years in the case of Lateral Entry) reckoned from the commencement of the first (third in the case of Lateral Entry) semester to which the candidate was admitted.
 - iii. Successfully passed any additional courses prescribed by the Director, Academic Courses whenever readmitted under regulations R-2017 (vide clause 18.3)
 - iv. Successfully completed the NCC / NSS / NSO / YRC requirements.
 - v. No disciplinary action pending against the student.
 - vi. The award of Degree must have been approved by the Syndicate of the University.

16.2 CLASSIFICATION OF THE DEGREE AWARDED

16.2.1 First Class With Distinction

A student who satisfies the following conditions shall be declared to have passed the examination in First class with Distinction:

- Should have passed the examination in all the courses of all the eight semesters (10 Semesters in case of Mechanical (Sandwich) and 6 semesters in the case of Lateral Entry) in the student's First Appearance within five years (Six years in the case of Mechanical (Sandwich) and Four years in the case of Lateral Entry). Withdrawal from examination (vide Clause 17) will not be considered as an appearance.
- Should have secured a CGPA of not less than 8.50
- One year authorized break of study (if availed of) is included in the five years (Six years in the case of Mechanical (Sandwich) and four years in the case of lateral entry) for award of First class with Distinction.
- Should NOT have been prevented from writing end semester examination due to lack of attendance in any semester.

- 16.2.2 First Class:
- A student who satisfies the following conditions shall be declared to have passed the examination in First class:
 - Should have passed the examination in all the courses of all eight semesters (10 Semesters in case of Mechanical (Sandwich) and 6 semesters in the case of Lateral Entry) within Six years. (Seven years in case of Mechanical (Sandwich) and Five years in the case of Lateral Entry)
 - One year authorized break of study (if availed of) or prevention from writing the End Semester examination due to lack of attendance (if applicable) is included in the duration of six years (Seven years in case of Mechanical (Sandwich) and five years in the case of lateral entry) for award of First class
 - Should have secured a CGPA of not less than 7.00
- 16.2.3 Second Class:
- All other students (not covered in clauses 16.2.1 and 16.2.2) who qualify for the award of the degree (vide Clause 16.1) shall be declared to have passed the examination in Second Class.
- 16.3 A candidate who is absent in end semester examination in a course / project work after having registered for the same shall be considered to have appeared in that examination for the purpose of classification. (subject to clause 17 and 18)
- 16.4 Photocopy / Revaluation
- A candidate can apply for photocopy of his/her semester examination answer paper in a theory course, within 2 weeks from the declaration of results, on payment of a prescribed fee through proper application to the Controller of Examinations through the Head of Institutions. The answer script is to be valued and justified by a faculty member, who handled the subject and recommend for revaluation with breakup of marks for each question. Based on the recommendation, the candidate can register for the revaluation through proper application to the Controller of Examinations. The Controller of Examinations will arrange for the revaluation and the results will be intimated to the candidate concerned through the Head of the Institutions. Revaluation is not permitted for practical courses and for project work.
- A candidate can apply for revaluation of answer scripts for not exceeding 5 subjects at a time.
- 16.5 Review
- Candidates not satisfied with Revaluation can apply for Review of his/ her examination answer paper in a theory course, within the prescribed date on payment of a prescribed fee through proper application to Controller of Examination through the Head of the Institution.
- Candidates applying for Revaluation only are eligible to apply for Review.

17. PROVISION FOR WITHDRAWAL FROM END-SEMESTER EXAMINATION

- 17.1 A student may, for valid reasons, (medically unfit / unexpected family situations / sports approved by Chairman, sports board and HOD) be granted permission to withdraw from appearing for the end semester examination in any course or courses in ANY ONE of the semester examinations during the entire duration of the degree programme. The application shall be sent to Director, Student Affairs through the Head of the Institutions with required documents.
- 17.2 Withdrawal application is valid if the student is otherwise eligible to write the examination (Clause 7) and if it is made within TEN days prior to the commencement of the examination in that course or courses and recommended by the Head of the Institution and approved by the Controller of Examinations.
- 17.2.1 Notwithstanding the requirement of mandatory 10 days notice, applications for withdrawal for special cases under extraordinary conditions will be considered on the merit of the case.
- 17.3 In case of withdrawal from a course / courses (Clause 13) the course will figure both in Marks Sheet as well as in Result Sheet. Withdrawal essentially requires the student to register for the course/courses The student has to register for the course, fulfill the attendance requirements (vide clause 7), earn continuous assessment marks and attend the end semester examination. However, withdrawal shall not be construed as an appearance for the eligibility of a candidate for First Class with Distinction.
- 17.4 Withdrawal is permitted for the end semester examinations in the final semester only if the period of study the student concerned does not exceed 5 years as per clause 16.2.1.

18. PROVISION FOR AUTHORISED BREAK OF STUDY

- 18.1 A student is permitted to go on break of study for a maximum period of one year as a single spell. 18.2 Break of Study shall be granted only once for valid reasons for a maximum of one year during the entire period of study of the degree programme. However, in extraordinary situation the candidate may apply for additional break of study not exceeding another one year by paying prescribed fee for break of study. If a candidate intends to temporarily discontinue the programme in the middle of the semester for valid reasons, and to rejoin the programme in a subsequent year, permission may be granted based on the merits of the case provided he / she applies to the Director, Student Affairs in advance, but not later than the last date for registering for the end semester examination of the semester in question, through the Head of the Institution stating the reasons therefore and the probable date of rejoining the programme.

- 18.3 The candidates permitted to rejoin the programme after break of study / prevention due to lack of attendance, shall be governed by the Curriculum and Regulations in force at the time of rejoining. The students rejoining in new Regulations shall apply to the Director, Academic Courses in the prescribed format through Head of the Institution at the beginning of the readmitted semester itself for prescribing additional courses, if any, from any semester of the regulations in-force, so as to bridge the curriculum in-force and the old curriculum.
- 18.4 The authorized break of study would not be counted towards the duration specified for passing all the courses for the purpose of classification (vide Clause 16.1).

All the Best...

It's all about character

*Watch your thoughts,
they become words.*

*Watch your words,
they become actions.*

*Watch your actions,
they become habits.*

*Watch your habits,
they become character.*

*Watch your character,
It becomes your destiny!*

Yesterday is history

Tomorrow is a mystery

Today is a gift

That's why we call it the present

You only live once

But if you work it right, once is enough
