Introduction

The NSS unit organized an awareness program focused on "Stem Cell Transplantation" to educate the community about the importance, procedures, and impact of stem cell donation. The session aimed to demystify stem cell transplantation and encourage volunteers to become potential donors, understanding the life-saving potential of this medical procedure.

Objective

- To raise awareness about stem cell transplantation.
- To explain the significance of stem cell donation in saving lives, particularly for patients with severe blood disorders like leukemia and lymphoma.
- To motivate students and community members to consider registering as stem cell donors.

Opening Remarks:

The program began with a welcome address by the NSS Coordinator, emphasizing the importance of the topic and the role of NSS in health awareness initiatives. The coordinator highlighted the lifesaving nature of stem cell donations and the need to spread accurate information.

Presentation by Expert:

A detailed presentation on stem cell transplantation was delivered by [Name of Expert or Guest Speaker], an expert in the field. The presentation covered:

- What stem cells are and their functions.
- Types of stem cell transplantation (Autologous, Allogeneic).
- Conditions treatable by stem cell transplantation.
- The donor matching process and the importance of the donor registry.
- Common myths and misconceptions about stem cell donation.

Interactive Session:

Participants engaged in a Q&A session, asking questions about the procedure, its risks, and the process of becoming a donor. The expert provided clear and informative answers, ensuring all doubts were addressed.

Donor Registration Drive:

An on-site registration drive was conducted for those interested in becoming potential stem cell donors. Volunteers were guided on how to register and the steps involved in the donation process.

Testimonies:

The session included testimonies from individuals who have undergone stem cell transplants or have donated stem cells. These personal stories highlighted the emotional and medical significance of the process.

Closing Remarks:

The program concluded with a vote of thanks, recognizing the contribution of the guest speaker, volunteers, and participants for their active involvement. The coordinator reiterated the importance of such awareness programs and encouraged everyone to continue spreading knowledge about stem cell donation.

Outcome

- Increased awareness about the medical benefits and procedures involved in stem cell transplantation.
- Encouragement for students and community members to register as potential donors.
- Dispelling myths and misconceptions related to stem cell donation.
- A few participants showed interest in further workshops and initiatives related to medical awareness.

Objectives of the Event

- To educate participants on the importance of Cardiopulmonary Resuscitation (CPR) in emergency situations.
- To provide hands-on training for basic life-saving techniques.
- To raise awareness about how immediate CPR can improve survival rates during cardiac emergencies.

On 20th November 2024, the NSS unit successfully organized a CPR training session aimed at equipping participants with essential life-saving skills. The training was conducted by a certified instructor who provided in-depth knowledge about the significance of Cardiopulmonary Resuscitation (CPR) in emergency situations.

Participants were guided through a step-by-step demonstration of the procedure, followed by a hands-on practice session to ensure a better understanding. The session emphasized the importance of quick response during cardiac emergencies, teaching the correct techniques for chest compressions and rescue breaths.

The training not only enhanced the participants' confidence in handling real-life emergencies but also highlighted the NSS unit's commitment to community welfare and awareness. The event concluded with a Q&A segment, where doubts and queries were addressed, ensuring all participants left with a comprehensive understanding of CPR.

Introduction

On the 26th of July 2024, the National Service Scheme (NSS) organized a heartfelt event to celebrate Kargil Victory Day. The occasion was dedicated to honoring the bravery, valor, and sacrifices of the Indian Armed Forces during the Kargil War of 1999. The event aimed to foster a sense of patriotism among the students and to pay tribute to the heroes who defended our nation's borders with courage and dedication.

Chief Guest

The event was graced by the presence of the esteemed Chief Guest, **Lt. Col. Biju R.**, a distinguished officer with an illustrious service record. His participation added a sense of pride and solemnity to the occasion.

Proceedings

The event commenced with a patriotic song performed by the NSS volunteers, setting a respectful and inspiring tone for the celebration. This was followed by the lighting of the ceremonial lamp by Lt. Col. Biju R., accompanied by other dignitaries.

A brief welcome address was delivered by the NSS Coordinator, emphasizing the importance of Kargil Victory Day and remembering the sacrifices made by the soldiers. The audience was deeply moved by the tales of courage narrated during the address.

Speech by Chief Guest

Lt. Col. Biju R. delivered a powerful and inspiring speech, sharing his personal experiences from his service in the Indian Army. He highlighted the strategic importance of the Kargil victory and the invaluable contributions of the Indian soldiers. His speech encouraged the youth to develop a sense of duty, discipline, and dedication towards the nation.

Activities

To commemorate the day, several activities were organized:

1. **Patriotic Song and Dance Performances:** A series of performances that resonated with national pride and showcased the spirit of patriotism.
2. **Interactive Session with the Chief Guest:** Lt. Col. Biju R. engaged in an interactive session with the students, answering their queries about the life of a soldier, the importance of leadership, and the challenges faced by the armed forces.
3. **Tribute and Floral Offering:** A tribute ceremony was conducted where participants laid flowers in honor of the martyrs of the Kargil War.
4. **Documentary Screening:** A short documentary on the Kargil War was screened, providing insights into the events that unfolded during the conflict and celebrating the triumph of the Indian Army.

Photos & Media Coverage:

The event concluded with a vote of thanks by the NSS Program Officer, expressing gratitude to Lt. Col. Biju R. for his valuable insights and to everyone who contributed to making the event a success. The national anthem was sung by all participants, filling the venue with a deep sense of patriotism and unity.

The celebration of Kargil Victory Day was a significant step towards instilling a spirit of patriotism and honoring the brave hearts who sacrificed their lives for the nation. The students, volunteers, and attendees left with a renewed sense of pride in the nation and a deeper understanding of the sacrifices made by our armed forces.

Acknowledgments:

The NSS unit extends heartfelt thanks to faculty members, volunteers, and participants for making the event a success. Special thanks to the administration for their support and encouragement in organizing this informative session.

Introduction

On 12th August 2024, the National Service Scheme (NSS) unit of Sri Sai Ram Institute of Technology, in association with the Tambaram City Police and the Fine Arts Association, organized a **Drug Awareness Rally** near Pallavaram Bus Stand. The event aimed to spread awareness about the harmful effects of drug abuse and emphasize the importance of building a drug-free Tamil Nadu.

This initiative was part of a broader campaign to educate the community about the physical, mental, and social consequences of drug addiction. Students and volunteers enthusiastically participated in the rally, carrying impactful placards and raising slogans to motivate individuals to lead a healthy and substance-free life.

Through collaborative efforts, the event succeeded in fostering a sense of responsibility among participants and the local community, reinforcing the message of making Tamil Nadu a safer, drug-free state.

Activity Performed:

The **Drug Awareness Rally** held on **12th August 2024** near Pallavaram Bus Stand involved a series of impactful activities designed to educate and engage the community about the dangers of drug abuse and the importance of a drug-free society.

1. **Awareness March:**

- Volunteers walked through key streets near Pallavaram Bus Stand, chanting slogans like "*Say No to Drugs*" and "*Choose Life, Not Drugs.*"
- Banners and placards with impactful messages were carried to visually convey the campaign's purpose.

2. **Community Interaction:**

- Volunteers interacted with shopkeepers, commuters, and local residents, discussing the importance of avoiding substance abuse.
- Informative leaflets were distributed to the public, containing facts about drug addiction, helpline numbers, and rehabilitation centers.

3. **Pledge for a Drug-Free Life:**

- All participants and attendees took a collective pledge to avoid drugs and contribute to building a healthier, drug-free community.

This rally not only raised awareness among the local population but also instilled a sense of responsibility among the youth, encouraging them to take proactive steps towards eradicating the menace of drug abuse from society.

Introduction

On 12th August 2024, the National Service Scheme (NSS) unit of Sri Sai Ram Institute of Technology, in association with the Tambaram City Police and the Fine Arts Association, organized a **Drug Awareness Rally** near Pallavaram Bus Stand. The event aimed to spread awareness about the harmful effects of drug abuse and emphasize the importance of building a drug-free Tamil Nadu.

This initiative was part of a broader campaign to educate the community about the physical, mental, and social consequences of drug addiction. Students and volunteers enthusiastically participated in the rally, carrying impactful placards and raising slogans to motivate individuals to lead a healthy and substance-free life.

Through collaborative efforts, the event succeeded in fostering a sense of responsibility among participants and the local community, reinforcing the message of making Tamil Nadu a safer, drug-free state.

Activity Performed:

The **Drug Awareness Rally** held on **12th August 2024** near Pallavaram Bus Stand involved a series of impactful activities designed to educate and engage the community about the dangers of drug abuse and the importance of a drug-free society.

1. **Awareness March:**

- Volunteers walked through key streets near Pallavaram Bus Stand, chanting slogans like "*Say No to Drugs*" and "*Choose Life, Not Drugs.*"
- Banners and placards with impactful messages were carried to visually convey the campaign's purpose.

2. **Community Interaction:**

- Volunteers interacted with shopkeepers, commuters, and local residents, discussing the importance of avoiding substance abuse.
- Informative leaflets were distributed to the public, containing facts about drug addiction, helpline numbers, and rehabilitation centers.

3. **Pledge for a Drug-Free Life:**

- All participants and attendees took a collective pledge to avoid drugs and contribute to building a healthier, drug-free community.

This rally not only raised awareness among the local population but also instilled a sense of responsibility among the youth, encouraging them to take proactive steps towards eradicating the menace of drug abuse from society.

"Empowering Rural Youth through Technology: Outreach Programme"

2. Location and Date of Implementation:

Location: Government Higher Secondary School, Pazhanthandalam Village

Date: March 7, 2024

3. Methodology/How it was Implemented:

The Outreach Programme was designed to engage rural youth with technology and innovation through To ensure effective implementation of the Unnat Bharat Abhiyan, UBA has conducted field visits to various villages, engaging with local communities to assess their needs. A dedicated team, consisting of faculty members and students, collaborates with villagers to identify key areas for improvement. These visits focus on gathering insights, fostering relationships, and implementing sustainable solutions tailored to each community's unique challenges. Interactive sessions and practical demonstrations. The methodology included:

Selection of Participants:

Second-year Computer Science and Engineering (CSE) students, along with the coordinator and Ms. Vanitha from the CSE department, were chosen to lead the programme.

Preparation of Material:

The CSE students prepared presentations and demonstrations showcasing innovative ideas and basic projects that the audience could easily understand.

Interactive Sessions:

The programme featured interactive sessions where the CSE students explained the concepts behind their projects and encouraged participation from the audience through questions and discussions.

Practical Demonstrations:

Basic projects were demonstrated to the participants, allowing them to observe and understand the practical applications of technology.

4. Participation of the Villagers:

Approximately 50 villagers, primarily consisting of students from the Government Higher Secondary School, actively participated in the programme. Their involvement included:

Engagement with Presentations:

Villagers listened attentively to the presentations delivered by the CSE students, showing interest and enthusiasm in learning about technology.

Interaction during Demonstrations:

During the practical demonstrations, villagers engaged with the CSE students, asking questions and expressing curiosity about the projects being showcased.

5. Results/Benefits for the Village:

The Outreach Programme yielded several benefits for the village community:

Inspiration and Awareness:

The programme inspired rural youth to explore the possibilities of technology and innovation, raising awareness about potential career paths in STEM fields.

Skill Development:

Participants gained exposure to basic concepts of technology and developed a better understanding of how it can be applied in real-life scenarios.

Empowerment:

By demystifying technology and making it accessible, the programme empowered villagers to embrace new opportunities and pursue further education or careers in related fields.

Community Building:

The event fostered a sense of community and collaboration among villagers, as they came together to learn and engage with each other in a supportive environment.

Overall, the Outreach Programme successfully empowered rural youth in Pazhanthandalam Village by introducing them to the world of technology and innovation, paving the way for future educational and career prospects.

Title: Village Survey in Thirumudivakkam Village

Location: Thirumudivakkam Village

Date: 1st July 2023

Methodology:

The village survey in Thirumudivakkam Village was conducted by the SCOPE team and UBA volunteers for the first year. The survey methodology involved visiting the village and conducting interviews and observations to gather information about the village's infrastructure and development needs. The team also met with the village President, Mr. K. Mani, to discuss the survey findings and seek his insights on the village's challenges and priorities.

Participation of the Villagers:

A significant portion of the village population was engaged in the survey process. The villagers have participated by providing information about their living conditions, infrastructure needs, and any other issues facing the village.

Results/Benefits for the Village:

The village survey in Thirumudivakkam Village helped identify drainage problems as a major issue the village faces. This information can be used to prioritize development initiatives and allocate resources effectively. The survey also helped build a rapport between the SCOPE team, UBA volunteers, and the villagers, fostering community engagement and collaboration.

● **Event Name:** World Environment Day

Date: 05 /06/2023

Details: The UBA coordinator Mr.D.Muralidharan delivered the lecture on the importance of protecting the environment to NCC, UBA and NSS volunteers. He began his lecture with the basic definition of the environment and moved on to the metrics of how many tons of waste are produced by cities in India. He presented an example of the albatross bird and how the species are affected by the plastics disposed into the ocean. The cadets learnt about the systems enforced in places like Peru, Tunisia and Canada to protect and foster the growth and protection of the environment. We discussed countries like Finland and Singapore and talked about their sensible use of public transport to reduce carbon footprint through vehicular emissions. He quoted, “If we take care of the environment, it takes care of us” which struck a chord with the listeners.
